**Teshwana Threat** is pursuing a Masters of Library Science and Information at Louisiana State University; was awarded a \$3,000 scholarship

2022 again brought numerous strong applications from a diverse and international field of candidates, competing for a limited amount of funding. Due to our partnership with ARMA International the Foundation was able to award an additional 3 scholarships. The Foundation is encouraged by the applicants as an illustration that the future of information management is indeed in good hands and will be led by brilliant scholars and professionals.

If you or your organization is interested in sponsoring a future educational scholarship or award, please contact the Foundation at [scholarships@armaedfoundation.org](mailto:scholarships@armaedfoundation.org). There are many candidates who could benefit from financial support to further their education in the field of information management.

The Foundation is a leading organization that enhances the practical and scholarly knowledge of information management by funding and promoting research, scholarship, and educational opportunities for information management professionals. The Foundation is a non-profit corporation with 501(c)3 tax exempt status in the United States. For additional information, please visit: <http://armaedfoundation.org/>.

We welcome all information management professionals to join us on social media.
